To Whom It May Concern:

I am writing in this letter in regards to parcel number #139-30-301-005 asking of you, your support to re-instate our special use permit to sell beer and wine in our family run and oriented restaurant.

We are not a tavern or a bar, we are a sit down Mexican Sea Food Restaurant and the beer is fundamental for the success of our restaurant, not because of the revenues from it, but, because it fully compliments our meals. Beers are only served with food!

In perspective, Could you imagine walking in to an Italian Restaurant and not been able to order your wine? Just like wine goes hand in hand with Italian food. Beer goes hand in hand with the Mexican seafood.

RADSA, Inc. our corporation, has had a special use permit for beer and wine with the City of Las Vegas since 1997. Due to a fire from our neighbors in February 2006 our business was destroyed, and because of the delay to re-construct our location, our special use permit has been expired. We are projected to open our doors in mid April 2007.

With out further more, I ask for your support and I thank you in advance for you time.

Sincerely,

Julissa Cobos
Secretary
